Ryerson University
University of Western Ontario
University of Windsor
York University / Université York

Grace @ Nanjing Normal University, China
Summer research Program

"This unique opportunity has given me the chance to experience and explore many things without too much pressure of school and outside expectations. While learning and gaining knowledge in research, you also have time to explore the city of Nanjing as well as take trips to other nearby cities such as Suzhou and Shanghai. It is definitely a worthwhile experience and I recommend it to anyone who is on the fence about going."

Ontario/Jiangsu (OJS) Programs

Ontario/Jiangsu Summer Programs

Program Overview

Programs usually include

- language classes, lectures or seminars
- cultural activities and excursions
- and sometimes specialized content with a focus on food culture, design, or business

For specific information visit the OJS website

Timing

- About four weeks in the summer

Eligibility

- Undergraduate and graduate students at one of the participating Ontario universities who are returning to full-time studies after this program

Language competence

- No knowledge of Mandarin required (except for the Intensive Mandarin Program, which requires at least basic fluency in Mandarin)

Partner Institution

- Various universities, depending on the program

Course fee

- Varies from \$960 to \$2,700 (based on 2020)
- Return airfare, some meals and additional expenses not covered

Credits

- Contact the academic advisor at your home institution for information on credit transfer

Ontario/Jiangsu Student Exchange Program

Study in Jiangsu while earning credits in Ontario

Timing

- Full academic year (two terms) or one term (fall or winter)

Eligibility

- Full-time undergraduate or graduate students at participating Ontario universities
- Minimum of two years of a degree completed with high academic standing

Language competence

- No knowledge of Mandarin required; more than 70 programs are offered in English across the 13 partner universities

Costs

- Ontario tuition fees
- Students pay for living expenses in Jiangsu, flight and other associated costs

Credits

- Contact the academic advisor at your home institution for information on credit transfer

Ontario/Jiangsu Summer Research Program

Opportunity to conduct research in Jiangsu, China during the summer

Timing

- Three or four months during the summer

Eligibility

- Full-time undergraduate and graduate students at one of the participating Ontario universities

Language competence

- No knowledge of Mandarin required

Placements

- Students need to find their own placement in one of our partner institutions in Jiangsu, e.g. with the help of their nominating Ontario professor

Costs

- Students pay for living expenses in Jiangsu, flight and other associated costs

Credits

- Contact the academic advisor at your home institution for information on credit transfer
